

Carpentaria Therapy Services

Carpentaria is committed to providing a comprehensive and individually tailored service for all participants. Depending on the requirements of each therapy session, and in discussion with your therapist, your quote and invoice could include any of the following charges:

Face to face therapy session

Online therapy session

Time to prepare for the therapy session, including set up and preparation of resources

Time to write progress notes and reports

Time to meet with Coordinator of Supports, Teachers, Paediatricians and/or other stakeholders

Travel time to deliver therapy services

Time to set up and customise Assistive Technology devices or systems

Time for correspondence and phone calls to provide feedback and recommendations
