

Join our team!

We value our teams and look forward to you joining us.

Carpentaria provides Disability and Therapy Services for all ages, through:

- **Independent Living Services**
- **Pathways Program**
- **Therapy Services (Speech Pathology, Occupational Therapy, Physiotherapy and Psychology).**

Our recruitment process is based on values, skills and qualifications.

We are proud of our committed team of professional staff who are dedicated to providing evidence-based and person-centred treatment and supports to enable Territorians to build a bigger life.

The financial benefits of working with Carpentaria include:

- Generous salary packaging (equivalent of up to \$6400 additional net salary)
- 5 weeks annual leave
- 10 days personal leave
- 11% superannuation
- Flexible work options
- Up to 3 study leave days per year
- Professional development allowance up to \$1500

Other benefits of working with Carpentaria include:

- Varied caseload in both urban and remote settings
- Regular clinical supervision and peer supervision sessions
- Availability of the latest technology including an iPad, desktop, laptop, stand up work station and high quality therapy and assessment resources
- Access to internal professional development mentoring and resources including case meetings, team projects, remote work orientation package, specialist interest groups and collaboration with professionals from other programs
- Support to access PHN Professional Development grants
- Close collaboration with a multidisciplinary team of allied health practitioners
- Comprehensive induction program and shadowing of all disciplines
- Links to local professional networks
- Free on site parking
- On site café
- Access to fleet vehicles to facilitate community based therapy sessions
- Access to Employee Assistance Programs
- Delivery of sessions from purpose built therapy rooms
- Located at Harry's Place, a community sector hub, with opportunities for networking and collaboration across a range of community services
- Support for NT Government secondments
